SKILLS

Ruby, Ruby on Rails, RSpec, JavaScript, jQuery, React, Redux, SQL, Git, HTML5, CSS3, MongoDB, AWS, Express, Node

PROJECTS

Ryamazon   (React, Redux, Ruby on rails, AWS)   live | github

An e-commerce web application inspired by Amazon written in JavaScript and Ruby.

- Developed a full-stack web application that served as an Amazon clone, using React for the front-end and Ruby on Rails for the back-end.
- Implemented user authentication, allowing users to sign up and log in to the platform to access its features.
- Built a dynamic and scalable back-end using Ruby on Rails, utilizing its built-in functions to manage and store data efficiently.
- Utilized React for front-end development, creating a visually appealing and user-friendly interface.
- Implemented a robust error handling and security measures to ensure the stability and security of the application.

Opus   (React, Redux, Express, Node, MongoDB)   live | github

A web application allowing users to create books that can be read by other users written in JavaScript.

- Developed and maintained the web application using React for front-end development, Express and Node.js for back-end development, and MongoDB for database management. Adhered to Agile methodologies for project management.
- Implemented key features such as user authentication, book creation and management, search functionality, and server-side routing. This allowed users to create and showcase their own books online, with the ability to add book details, edit cover appearances, and descriptions.
- Utilized Git for version control. Collaborated with a team and Improved skills in Express, Node.js, MongoDB, Agile development, and version control, through the development of the project.

EXPERIENCE

Tax Coordinator

Tishman Speyer Properties, Inc. - Corporate/Commercial Real Estate   Jul 2018 - Jun 2022

- Implemented the streamlining improved processes of filing state and federal tax forms and payments significantly reducing the amount of conflicts of record and notices received by the IRS.
